Alter-Ego-Brian Freeman 2018-05-01
Hollywood has a dark side; and it will

stop at nothing to hide it... When a freak accident kills a driver on a remote country road, Jonathan Stride is disturbed to discover the victim has a false identity. Alarming, a gun is found in the car--and the gun has recently been fired. The next day, Stride learns that a local student has also vanished. Could the incidents be related? But what could put an ordinary young woman in the crosshairs of a man bearing all the hallmarks of an assassin? Stride's investigation soon leads him to a film shoot based on his past. What's more, Stride is being played by a Hollywood legend. But there are whispers his cinematic alter-ego has a dark side . . . The most gripping and explosive thriller yet from bestseller Brian Freeman. Perfect for fans of Michael Connelly, Joy Ellis and Kendra Elliot

Les Contes De La Becasse-Guy de Maupassant 2017-08-27 Dans les dix-sept nouvelles composant **Les contes de la becasse**, Guy de Maupassant peint en quelques traits des personnages et des décors - pour la plupart normands -, mettant en exergue de manière ironique - parfois aussi pessimiste - les faiblesses de caractère ou la bassesse des personnages sans toutefois porter de jugement moral. In these seventeen short stories-or tales, as they are here called-, Guy de Maupassant depicts succinctly and pointedly persons and landscapes, and shows in an ironical, but sometimes also pessimistic way, without becoming moralistic, the weakness and baseness of the characters.

Ego Sum-Jean-Luc Nancy 2016-05-02 First published in 1979 but never available in English until now, *Ego Sum* challenges, through a careful and unprecedented reading of Descartes's writings, the picture of Descartes as the father of modern philosophy: the thinker who founded the edifice of knowledge on the absolute self-certainty of a Subject fully transparent to itself. While other theoretical discourses, such as psychoanalysis, have also attempted to subvert this Subject, Nancy shows how they always inadvertently reconstituted the Subject they were trying to leave behind. Nancy's wager is that, at the moment of modern subjectivity's founding, a foundation that always already included all the possibilities of its own exhaustion, another thought of "the subject" is possible. By paying attention to the mode of presentation of Descartes's subject, to the masks, portraits, feints, and fables that populate his writings, Jean-Luc Nancy shows how

Descartes's ego is not the Subject of metaphysics but a mouth that spaces itself out and distinguishes itself.

Altar Ego-Craig Groeschel 2013-02-26 You are NOT who you think you are. In fact, according to bestselling author Craig Groeschel in *Altar Ego*, you need to take your idea of your own identity, lay it down on the altar, and sacrifice it. Give it to God. Offer it up. Why? Because you are who GOD says you are. And until you've sacrificed your broken concept of your identity, you won't become who you are meant to be. When we place our false labels and self-deception on the altar of God's truth, we discover who we really are as his sons and daughters. Instead of an outward-driven, approval-based ego, we learn to live with an "altar" ego, God's vision of who we are becoming. Discover how to trade in your broken ego and unleash your altar ego to become a living sacrifice. Once we know our true identity and are growing in our Christ-like character, then we can behave accordingly, with bold behavior, bold prayers, bold words, and bold obedience. *Altar Ego* reveals who God says you are, and then calls you to live up to it.

The Talented Miss Highsmith-Joan Schenkar 2010-01-18 Patricia Highsmith's *The Price of Salt* is now a major motion picture (Carol) starring Cate Blanchett and Mia Wasikowska, directed by Todd Haynes. A 2010 New York Times Notable Book, A 2010 Lambda Literary Award Winner, A 2009 Edgar Award Nominee, A 2009 Agatha Award Nominee, and a Publishers Weekly Pick of the Week, Patricia Highsmith, one of the great writers of twentieth-century American fiction, had a life as darkly compelling as that of her favorite "hero-criminal," the talented Tom Ripley. Joan Schenkar maps out this richly bizarre life from her birth in Texas to Hitchcock's filming of her first novel, *Strangers on a Train*, to her long, strange self-exile in Europe. We see her as a secret writer for the comics, a brilliant creator of disturbing fictions, and an erotic predator with dozens of women (and a few good men) on her love list. *The Talented Miss Highsmith* is the first literary biography with access to Highsmith's whole story: her closest friends, her oeuvre, her archives. It's a compulsive page-turner unlike any other, a book worthy of Highsmith herself.

Alter Ego-Sean Hand 2017-12-02 "Alter Ego is the first monograph in English on the critical writings of Michel Leiris (1901-90). A groundbreaking autobiographer and pioneering ethnographer, Leiris also produced important criticism on art, opera, jazz and literature, which acts as a key commentary on twentieth-century intellectual movements and demonstrates vividly the constant refashioning and reformulation of contemporary ideas and aesthetics. Hand defines and situates Leiris's core themes, analyses his criticism in each of the art areas examined, and delineates the model that emerges of a contrapuntal and heterogeneous critical identity."

A Reference Grammar of Russian-Alan Timberlake 2004-01-22 This book describes and systematizes all aspects of the grammar of Russian: the patterns of orthography, sounds, inflection, syntax, tense-aspect-mood, word order, and intonation. It is especially concerned with the meaning of combinations of words (constructions). The core concept is that of the predicate history: a record of the states of entities through time and across possibilities. Using predicate histories, the book presents an integrated account of the semantics of verbs, nouns, case, and aspect. More attention is paid to syntax than in any other grammars of Russian written in English or in other languages of Western Europe. Alan Timberlake refers to the literature on variation and trends in development, and makes use of contemporary data from the internet. This book will appeal to students, scholars and language professionals interested in Russian.

The Way of Grace-Miranda Macpherson 2018-11-01 "Perhaps you hunger to finally end the struggle of living from a consciousness of fear and separation. Perhaps you yearn for a saner, wiser, more spiritually elegant way to move through our world. Perhaps you are weary of the dizzying pace of a culture that drives us ever further from our true nature. There is another way: a way of Grace. This book is a hand of friendship to help you come to abide in the living presence that you are and always were."—Miranda Macpherson, *The Way of Grace* Many of us struggle to truly live what we believe spiritually. What if closing that gap wasn't about trying harder, but something quite the opposite? *The Way of Grace* is a guide to spiritual surrender and nondual realization based on the practice of

ego relaxation—a holistic, feminine approach to welcoming all of your experience and responding with compassion and wisdom in a world in need of your unique gifts. “Grace has four primary dimensions, or ways that it comes alive,” explains Macpherson. “Ego relaxation gives us access to these dimensions, so we can stop trying to beat ourselves into spiritual shape and yield instead to an unshakable presence within.” In *The Way of Grace*, she shares reflections, inquiries, and meditation practices for each phase of your journey:

- Relaxing into the Ground of Grace—move beyond identification with your personality and return to the felt sense of your connection to Grace as your natural and ever-present foundation
- Receiving the Blessings of Grace—move beyond “the spiritual poverty of lack” and rediscover the gift of life in every moment through the portals of trust, humility, patience, and joy
- The Transforming Power of Grace—move beyond that which limits your full freedom through forgiveness, compassion, unwinding ego identity, and abiding in your boundless nature
- Living the Embodiment of Grace—continue to surrender anything that binds you into self-centered patterns and behaviors and become a “Grace-delivery device,” the presence of love here on Earth “Grace will always deepen, season, and bring out the very best in you,” writes Macpherson. “You are its embodiment, always and forever.”

The Way of Grace will be your steady companion to “live as the fountain we were made to be, letting the living waters flow to quench our parched and tired Earth.” Foreword by Russ Hudson.

Trillion Dollar Coach-Eric Schmidt 2019-04-16 The team behind How Google Works returns with management lessons from legendary coach and business executive, Bill Campbell, whose mentoring of some of our most successful modern entrepreneurs has helped create well over a trillion dollars in market value. Bill Campbell played an instrumental role in the growth of several prominent companies, such as Google, Apple, and Intuit, fostering deep relationships with Silicon Valley visionaries, including Steve Jobs, Larry Page, and Eric Schmidt. In addition, this business genius mentored dozens of other important leaders on both coasts, from entrepreneurs to venture capitalists to educators to football players, leaving behind a legacy of growing companies, successful people, respect, friendship, and love after his death in 2016. Leaders at Google for over a decade, Eric Schmidt, Jonathan Rosenberg, and Alan Eagle experienced

firsthand how the man fondly known as Coach Bill built trusting relationships, fostered personal growth—even in those at the pinnacle of their careers—inspired courage, and identified and resolved simmering tensions that inevitably arise in fast-moving environments. To honor their mentor and inspire and teach future generations, they have codified his wisdom in this essential guide. Based on interviews with over eighty people who knew and loved Bill Campbell, *Trillion Dollar Coach* explains the Coach’s principles and illustrates them with stories from the many great people and companies with which he worked. The result is a blueprint for forward-thinking business leaders and managers that will help them create higher performing and faster moving cultures, teams, and companies.

Storm Thief-Chris Wooding 2014-05-01 Perfect for fans of Neil Gaiman and Michael Grant, this darkly thrilling novel is a powerful blend of fantasy and science-fiction. Rail and Moa are two teenage thieves. Vago is a golem of metal and flesh. All three are denizens of Orokos, a city scoured by chaotic storms that rearrange streets and turn children into glass. No one can enter the city, or leave. Until one day Rail finds a mysterious artifact that may hold the key to the secrets of the city - and the chance of escape. And so begins an impossible quest. Get ready for a breathtaking adventure.

The Last King of Scotland-Giles Foden 2008-09-04 What would it be like to become Idi Amin's personal physician? Giles Foden's bestselling thriller is the story of a young Scottish doctor drawn into the heart of the Ugandan dictator's surreal and brutal regime. Privy to Amin's thoughts and ambitions, he is both fascinated and appalled. As Uganda plunges into civil chaos he realises action is imperative - but which way should he jump?

War of Annihilation-Geoffrey P. Megargee 2007-10-16 In *War of Annihilation*, noted military historian Geoffrey P. Megargee provides a clear, concise history of the Germans' opening campaign of conquest and genocide in 1941. By drawing on the best of military and Holocaust scholarship, Megargee dispels the myths that have distorted the role of Germany's military leadership in both the military operations themselves and the

unthinkable crimes that were part of them.

All Day and a Night-Alafair Burke 2014-06-10 A new murder case with ties to a convicted serial killer leads Detective Ellie Hatcher into a twisting investigation with explosive and deadly results in this superb mystery from the "terrific web spinner" (Entertainment Weekly) Alafair Burke. When psychotherapist Helen Brunswick is murdered in her Park Slope office, the entire city suspects her estranged husband—until the District Attorney's

office receives an anonymous letter. The letter's author knows a chilling detail that police have kept secret: the victim's bones were broken after she was killed. Her injuries were eerily similar to the signature used twenty years earlier by Anthony Amaro, a serial killer serving a life sentence for his crimes. Now, Amaro is asking to be released from prison, arguing that he was wrongly convicted, and that the true killer is still on the loose. NYPD Detectives Ellie Hatcher and JJ Rogan are tapped as the "fresh look" team to reassess the original investigation that led to Amaro's conviction. The case pits them against both their fellow officers and a hard-charging celebrity defense lawyer with a young associate named Carrie Blank, whose older sister was one of Amaro's victims. As the NYPD and Amaro's lawyers search for certainty among conflicting evidence, their investigations take them back to Carrie's hometown, where secrets buried long ago lead to a brutal attack—one that makes it terrifyingly clear that someone has gotten too close to the truth.

French Short Stories for Beginners-Lingo Mastery 2019-05 Finding material for your French immersion can be a nightmare, but not anymore! French students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them - as teachers; we know this. This is why we've created French Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designed for you, the student. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on French but that you will understand and be able to pick it apart piece by piece in your quest for learning. How French Short Stories for Beginners works: Each story is designed to keep you engaged and interested as well as using vocabulary that you will actually use. The summaries follow a synopsis in French and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in French, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a French speaker, and we'll certainly make that dream come true!

We recommend this book for French learners at A2 level and above as it is designed for students with a basic understanding of French. So look no further! Pick up your copy of French Short Stories for Beginners Vol.2 and start learning French right now!

Murder at the Blue Plate Café-Judy Alter 2013 A Blue Plate Café Mystery. (Book One)When twin sisters Kate and Donna inherit their grandmother's restaurant, the Blue Plate Café in Wheeler, Texas, there's immediate conflict. Donna wants to sell and use her money to establish a B & B; Kate wants to keep the Café. Thirty-two-year-old Kate leaves a Dallas career as a paralegal and a married lover to move back to Wheeler and run the café, while Donna plans her B & B and complicates her life by having an affair with her sole investor. Kate soon learns that Wheeler is not the idyllic small town she thought it was fourteen years ago. The mayor, a woman, is power-mad and listens to no one, and the chief of the police department, newly come from Dallas, doesn't understand small-town ways. Worst of all, blunt, outspoken Donna is not well liked by some town folk. The mayor of Wheeler becomes seriously ill after eating food from the café, delivered by Donna's husband, and the death of another patron makes Kate even more suspicious of her grandmother's sudden death. When Donna's investor is shot, all signs point to Donna, and she is arrested. Kate must defend her sister and solve the murders to keep her business open, but even Kate begins to wonder about the sister with whom she has a love-hate relationship. Gram guides Kate through it all, though Kate's never quite sure she's hearing Gram and sometimes Gram's guidance is really off the wall.
