**The Hysterics**-Kristen Mazzola 2015-01-27 Once upon a time, I was Fallon Dunbar. Rock and roll, drugs, and bad decisions were the life I lived. I'd fallen so deep into the dark rabbit hole that I was certain I would never make it out alive. People like me didn't get second chance. People like me didn't get lifted from the darkness. So when the opportunity showed up, I had to take it. I walked away from everything I loved, everything that was killing me, and I became Fae Dunham. After that, I had behind makeup, long sleeves, and a closed-off heart. All was well until I met Dane Pearson. He wasn't convinced of the new me, and whenever he was near, I felt like the old me,

the real me, filled with passion and a love for music. Every day was a fight to not fall back down the rabbit hole. And every day, somehow, I slowly began to discover what it meant to find myself. It was a hysteric rise, but it was ours. And I wouldn't change a thing. From the Author \*\*18+ for sexual situations, language, and adult content.\*\* This book is a standalone! A wiener dog--get your dirty mind out of the gutter. I've also worked on his Spoodle, his Cocker-shitzu, and a Cheagle--don't ask. (And no, it's not a sexual position). It doesn't help that he also represents most of my joint-owned veterinary practice's small clientele. We'd only just opened the doors a few months ago, and in he strode with a yelping Taco Terrier. One haughty look at our sparkling new facilities, he'd demanded royal treatment, even though I was currently finger deep up a squalling tom cat. Ever since then, he expects me to serve him. Any time. All the time. Him and his revolving zoo of dogs. One of these days, I'm going to swat him for being such a pompous ass but I can't deny the way he handles his charges makes me want to see past the 'do as I say and don't ask questions' barking exterior. But then last week...he caught me staring at his um, cough, package. His bossy commands switched to a cocky smirk. He gave me permission to do something I promised myself I would never ever do. I can touch it. If I want...

**Hidden in Darkness**-Alice Winters 2018-02-17 When Felix is hired to take care of a recently blinded man, he thinks his life might finally be turning around. It has to be better than where he came from, but he has no idea what he's signed up for. Lane is depressed, rude, and difficult to be around. It doesn't help that Felix is clearly not qualified for the job, especially since he can't even make oatmeal right. But Felix is trying to make his life better, so he'll put up with the man even if it requires some unconventional methods. Felix's humor soon pulls Lane out of his depression, and Felix feels like things are finally going right in his life. That is, until he's attacked by someone who wants to keep Lane quiet. It's clear that Lane isn't who he's pretending to be, and Felix should probably walk away. But Felix has finally found a place where he belongs and he's willing to go to great lengths to stay by Lane's side. Even if it involves kidnapping, stealing, and Felix's overwhelmingly bad ideas, Felix will do just about anything because Lane is there for him unlike anyone else has ever been. Felix might be out of his element, but one thing he is sure about is that he doesn't want to leave Lane... even if it costs him his life.Hidden in Darkness is 90k words of snark, car chases, and morally questionable choices. Newly edited with an updated cover.
