Escape from Asylum-Madeleine Roux 2016-06-14 In this terrifying prequel novel to the New York Times bestselling Asylum series, a teen is wrongfully committed to the Brookline psychiatric hospital and must find a way out—before he becomes the next victim of the evil warden's experiments. but perfect him—Ricky realizes that he may not be able to wait for his mom a second longer. With the help of a sympathetic nurse and a fellow patient, Ricky needs to escape now. Set long before Dan, Abby, and Jordan ever walked the hallways of the Brookline asylum—back when it was still a functioning psych ward and not a dorm—Escape from Asylum is a mind-bending and scary installment in the Asylum series that can stand on its own for new readers or provide missing puzzle pieces for series fans. Don't miss Madeleine Roux's all-new gothic horror novel, House of Furies.

Sanctum-Madeleine Roux 2015-09-01 In this chilling, fast-paced sequel to the New York Times bestselling Asylum, which Publishers Weekly called "a strong YA debut that reveals the enduring impact of buried trauma on a place," three teens must return to the asylum that still haunts their dreams to end the nightmare once and for all. With the page-turning suspense and horror that made Asylum such a standout, and featuring found photographs from real vintage carnivals, Sanctum is a mind-bending reading experience that's perfect for fans of the smash hit Miss Peregrine's Home for Peculiar Children. Dan, Abby, and Jordan remain traumatized by the summer they shared in the Brookline asylum. Much as they'd love to move on, many questions remain, and someone is determined to keep the terror alive, sending the teens photos of an old-timey carnival, with no note and no name. Forsaking their plan never to go back, the teens return to New Hampshire College under the guise of a weekend for prospective students, and there they realize that the carnival from the photos is not only real, it's here on campus, apparently for the first time in many years. Sneaking away from sample classes and college parties, Dan and his friends lead a tour of their own—one through the abandoned houses and hidden places of a surrounding town. Camford is hiding a terrible past, and the truth behind Dan's connection to the asylum's evil warden is more terrifying than Dan ever imagined.

Beauty-Mary Catherine Gebhard 2019-09-23 Once upon a time, I thought love was a fairytale. My prince was a Beast with blood on his hands and ice in his veins. My family offered to save me. The only price: leaving the tattered pieces of my heart behind. Our love was irrational. Cruel. Unforgiving. Nothing like the

storybooks said it should be—but it was perfect. The longer we were apart, the more I lost myself. He was vicious and domineering, but I craved the submission. Together we were destructive, but I was addicted to the devastation. Still, I thought titles mattered. To my family I was princess, and to the Beast I was slave. I was too naïve to understand that even though he'd been my captor, he'd broken the shackles on my soul. Once upon a time, I thought love meant happily ever after. Now I know better.

Black Marxism-Cedric J. Robinson 2021-02-04 'A towering achievement. There is simply nothing like it in the history of Black radical thought' Cornel West 'Cedric Robinson's brilliant analyses revealed new ways of thinking and acting' Angela Davis 'This work is about our people's struggle, the historical Black struggle' Any struggle must be fought on a people's own terms, argues Cedric Robinson's landmark account of Black radicalism. Marxism is a western construction, and therefore inadequate to describe the significance of Black communities as agents of change against 'racial capitalism'. Tracing the emergence of European radicalism, the history of Black African resistance and the influence of these on such key thinkers as W. E. B. Du Bois, C. L. R. James and Richard Wright, Black Marxism reclaims the story of a movement.

Selected Prose and Prose-Poems-Gabriela Mistral 2010-01-01 The first Latin American to receive a Nobel Prize for Literature, the Chilean writer Gabriela Mistral (1889-1957) is often characterized as a healing, maternal voice who spoke on behalf of women, indigenous peoples, the disenfranchised, children, and the rural poor. She is that political poet and more: a poet of philosophical meditation, self-consciousness, and daring. This is a book full of surprises and paradoxes. The complexity and structural boldness of these prose-poems, especially the female-erotic prose pieces of her first book, make them an important moment in the history of literary modernism in a tradition that runs from Baudelaire, the North American moderns, and the South American postmodernistas. It's a book that will be eye-opening and informative to the general reader as well as to students of gender studies, cultural studies, literary history, and poetry. This Spanish-English bilingual volume gathers the most famous and representative prose writings of Gabriela Mistral, which have not been as readily available to English-only readers as her poetry. The pieces are grouped into four sections. "Fables, Elegies, and Things of the Earth" includes fifteen of Mistral's most accessible prose-poems. "Prose and Prose-Poems from *Desolación / Desolation* [1922]" presents all the prose from Mistral's first important book. "Lyrical Biographies" are Mistral's poetic meditations on Saint Francis and Sor Juana de la Cruz. "Literary Essays, Journalism, 'Messages'" collects pieces that reveal Mistral's opinions on a wide range of subjects, including the practice of teaching; the writers Alfonso Reyes, Alfonsina Storni, Rainer Maria Rilke, and Pablo Neruda; Mistral's own writing practices; and her social beliefs. Editor/translator Stephen Tapscott rounds out the volume with a chronology of Mistral's life and a brief introduction to her career and prose.

Christians. Yet, it is an everyday reality for those who choose faith over survival in Syria, Iran, Egypt, Lebanon, and other countries hostile to the Gospel of Christ. In *Killing Christians*, Tom Doyle takes readers to the secret meetings, the torture rooms, the grim prisons, and even the executions that are the “calling” of countless Muslims-turned-Christians. Each survivor longs to share with brothers and sisters “on the outside” what Christ has taught them. *Killing Christians* is their message to readers who still enjoy freedom to practice their faith. None would wish their pain and suffering on those who do not have to brave such misery, but the richness gained through their remarkable trials are delivered—often in their own words—through this book. The stories are breathtaking, the lessons soul-stirring and renewing. *Killing Christians* presents the dead serious work of expanding and maintaining the Faith.

The Immortal Heights-Sherry Thomas

The Book of Splendours-Eliphaz Levi
1973-06-01 This is the first part of Eliphaz Levi's

last great discourse on the mysteries of occultism that was continued and concluded in *The Great Secret*. In it, Levi examines with great precision and insight the inner meanings of Qabalism and their relationship to the occult sciences. Part One is a commentary on the *Sphira Dzeniuta* by Simeon BenJochal, which includes an examination of the affinities between Qabalism and Freemasonry. Part Two pursues the correspondences between Qabalism, Numerology and the Tarot. This edition includes an appendix by Papus (Dr. Gerard Encausse) summarizing Levi's doctrines and teachings and supplying some fascinating information on some of the master's many disciples.

The Cristero Rebellion-Jean A. Meyer
2008-12-18 The Cristero movement is an essential part of the Mexican Revolution. When in 1926 relations between Church and state, old enemies and old partners, eventually broke down, when the churches closed and the liturgy was suspended, Rome, Washington and Mexico, without ever losing their heads, embarked upon a long game of chess. These years were crucial, because they saw the setting up of the contemporary political system. The state established its omnipotence, supported by a bureaucratic apparatus and a strong privileged class. Just at the moment when the state thought that it was finally supreme, at the moment at which it decided to take control of the Church, the Cristero movement arose, a spontaneous mass movement, particularly of peasants, unique in its spread, its duration, and its popular character. For obvious reasons, the existing literature has both denied its reality and slandered it.

Looking Out, Looking In-William Luis 2012
The poems included in this comprehensive anthology run the gamut of styles and themes, but all are by Latinos writing from the mid-twentieth century to the present. Some deal with issues specific to the Hispanic experience, such as displacement, identity and language. Others ponder universal concerns, such as love, family and humanity. In "Letter to Arturo," Mexican-American poet Lucha Corpi pens a song of love to her son: "You've hardly left / and already I miss the light / caress of your hands / on my hair, / and your laughter and your tears, / and all your questions / about seas, / moons and deserts. / And all my poems / are tying themselves together / in my throat." More than 60 Latino poets are represented in this wide-ranging collection that focuses on poetry from the four largest groups in the United States: Mexican Americans, Cuban Americans, Puerto Ricans and Dominican Americans. Included are distinguished poets such as Julia Álvarez, Gloria Anzaldúa, Jimmy Santiago Baca, Martín Espada and Pedro Pietri, as well as less well-known writers who deserve more recognition. Whether writing about timeless issues or themes specific to their community, the poets in this volume craft a multilayered look at what it means to be Latino in the United States. *Looking Out, Looking In* is an indispensable and welcome addition to American and Latino literatures.

The Great Secret or Occultism Unveiled-Eliphas Levi 2000-11-15
So concludes what Levi considered to be his testament, his most important and final treatise, and a summation of his esoteric philosophy. This volume is the conclusion of the work he started as Book One,

The Heiratic Mystery or the Traditional Documents of High Initiation, published as *The Book of Splendours* (Weiser, 1984). The Great Secret contains his final two works. In Book Two, *The Royal Mystery or Art of Subduing the Powers*, Levi discusses such topics as Evil, the Outer Darkness, the Great Secret, Magical Sacrifice, Evocations, the Arcana of Solomon's Ring, and the Terrible Secret. In Book Three, *The Sacerdotal Mystery or the Art of being Served by Spirits*, he expounds on the subjects of Aberrant Forces, the Chaining of the Devil, Sacred and Accursed Rites, Divination, Dark Intelligence, and the Great Arcanum.

Nobody's Home-Dubravka Ugrešić 2008
Every day and age has its rules. Currently, good behavior dictates political correctness, evade conflicts, espouse tolerance, and make no hasty judgments. To be judgmental is viewed as one of the most reprehensible human traits. This book breaks the rules of good behavior, because it bickers. This series of thought-provoking and incisive essays from Dubravka Ugrešić explores the full spectrum of human existence. From life in exile to life in prison, from bottled-water drinking tourists to Eurovision, what was hidden in plain sight is here exposed.

Standing in the Fire-Tom Doyle 2017-04-11
Not Even ISIS Can Scare Them Off Followers of Christ need to relearn what it means to stand courageously for their faith rather than merely survive in a climate of fear. Instead of motivating believers to action, today's headlines appear to be paralyzing them. *Standing in the Fire* demonstrates the church triumphant through the lives of people who stood strong and didn't run away in the face of overwhelming danger. These Middle Eastern heroes of faith fear God more than terrorist groups like ISIS. Supported by Tom Doyle's commentary on events, the stories included show how these Christians are not living as victims, but victors in Christ.
