2018-01-16 Eger tenía dieciséis años cuando los nazis invadieron su pueblo de Hungría y se la llevaron con el resto de su familia a Auschwitz. Al

pisar el campo, sus padres fueron enviados a la cámara de gas y ella permaneció junto a su hermana, pendiente de una muerte segura. Pero bailar El Danubio azul para Mengele salvó su vida, y a partir de entonces empezó una nueva lucha por la supervivencia. Primero en los campos de exterminio, luego en la Checoslovaquia tomada por los comunistas y,

finalmente, en Estados Unidos, donde acabaría convirtiéndose en discípula de Viktor Frankl. Fue en ese momento, tras décadas ocultando su pasado, cuando se dio cuenta de la necesidad de curar sus heridas, de hablar del horror que había vivido y de perdonar como camino a la sanación. Su mensaje es claro: tenemos la capacidad de escapar de las prisiones que construimos en nuestras mentes y podemos elegir ser libres, sean cuales sean las circunstancias de nuestra vida. «Este libro es un regalo para la humanidad. Una de esas historias únicas y eternas que nunca quieres terminar de leer y que te cambian la vida para siempre.» Desmond Tutu, premio Nobel de la Paz

**The Choice**-Edith Eva Eger 2017-09-05 A New York Times Bestseller “I’ll be forever changed by Dr. Eger’s story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we’ve lost, or to pay attention to what we still have.”—Oprah “Dr. Eger’s life reveals our

capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well.” —Desmond Tutu, Nobel Peace Prize Laureate “Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal.” —Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor’s guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she’d been unable to

forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. *The Choice* is a life-changing book that will provide hope and comfort to generations of readers.

**Shoot Me, I'm Already Dead**-Julia Navarro  
2014-09-04 The gripping story of two families struggling to overcome their own destinies. A mosaic of treachery and revenge, of possible and impossible loves, and of the great adventure that is living and surviving in a land marked by intolerance and outrage. Marian Miller, an NGO aid worker, is asked to write a report on illegal Jewish settlements on Palestinian territories. In order to do so, she wants to make sure she understands both sides of the story. Marian arranges a meeting in Israel with Ezekiel Zucker, an elderly man who, like many others, has a lot to tell and also, a secret to hide. Ezekiel will narrate his story as if it were a massive jigsaw

puzzle with many complex pieces and Marian will tell him the version she's familiar with: the Arab one. At the twilight of the 19th century, the Zuckers are banned from their homeland of Russia because they are Jewish. After undergoing unspeakable horrors and injustices under the tsar's rule, they set out for the Promised Land and buy land owned by the Ziads, an Arab family headed by a man named Ahmed. The two men, Ahmed Ziad and Samuel Zucker, will establish a strong bond, a friendship that can overcome religious and political differences and that will continue on for generations. This riveting family saga that culminates in 1948 is not only Julia Navarro's best and most ambitious novel yet, it's a tale filled with real people taking responsibility for their own destinies by following their dreams and fighting for their lives. An unforgettable novel that, like all of history's greatest books, conceals many novels within.

the award-winning, New York Times bestselling author of *The Choice* shows us how to stop destructive patterns and imprisoning thoughts to find freedom and enjoy life. Edith Eger's powerful first book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Oprah Winfrey says, "I will be forever changed by Dr. Eger's story." Thousands of people around the world have written to Eger to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain; and to ask her to write another, more "how-to" book. Now, in *The Gift*, Eger expands on her message of healing and provides a hands-on guide that gently encourages us to change the thoughts and behaviors that may be keeping us imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself, the prison within her own mind. She describes the twelve most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and

avoidance—and the tools she has discovered to deal with these universal challenges. Accompanied by stories from Eger's own life and the lives of her patients each chapter includes thought-provoking questions and takeaways, such as: -Would you like to be married to you? - Are you evolving or revolving? -You can't heal what you can't feel. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and enjoy life.

turbulence of World War II, a young German woman finds a precarious haven closer to the source of danger than she ever imagined—one that will propel her through the extremes of privilege and terror under Hitler's dictatorship . . . In early 1943, Magda Ritter's parents send her to relatives in Bavaria, hoping to keep her safe from the Allied bombs strafing Berlin. Young German women are expected to do their duty—working for the Reich or marrying to produce strong, healthy children. After an interview with the civil service, Magda is assigned to the Berghof, Hitler's mountain retreat. Only after weeks of training does she learn her assignment: she will be one of several young women tasting the Führer's food, offering herself in sacrifice to keep him from being poisoned. Perched high in the Bavarian Alps, the Berghof seems worlds away from the realities of battle. Though terrified at first, Magda gradually becomes used to her dangerous occupation—though she knows better than to voice her misgivings about the war. But her love for a conspirator within the SS, and her growing

awareness of the Reich's atrocities, draw Magda into a plot that will test her wits and loyalty in a quest for safety, freedom, and ultimately, vengeance. Vividly written and ambitious in scope, The Taster examines the harrowing moral dilemmas of war in an emotional story filled with acts of extraordinary courage. Praise for V.S. Alexander's *The Magdalen Girls* "Fans of Barbara Davis and Ashley Hay will enjoy this tenderhearted story of sinner, saints, and redemption." --Booklist "Alexander has clearly done his homework. Chilling in its realism, his work depicts the improprieties long abandoned by the Catholic Church and only recently acknowledged. Fans of the book and film *Philomena* will want to read this." --Library Journal

Montalván never backed down from a challenge during his two tours of duty in Iraq. After returning home from combat, however, his physical wounds and crippling post-traumatic stress disorder began to take their toll. He wondered if he would ever recover. Then Luis met Tuesday, a sensitive golden retriever trained to assist the disabled. Tuesday had lived among prisoners and at a home for troubled boys, and he found it difficult to trust in or connect with a human being--until Luis. Until Tuesday is the story of how two wounded warriors, who had given so much and suffered the consequences, found salvation in each other. It is a story about war and peace, injury and recovery, psychological wounds and spiritual restoration. But more than that, it is a story about the love between a man and dog, and how, together, they healed each other's souls.

**The Lost Wife**-Alyson Richman 2011-09-06 A rapturous novel of star-crossed love in a time of war—from the international bestselling author of

Throughout the six years of horror they witness and immeasurable suffering they endure as victims of the camps, one constant keeps them alive: their love and hope for the future. Based on the secret diary that Gustav kept as well as meticulous archival research and interviews with members of the Kleinmann family, including Fritz's younger brother Kurt, sent to the United States at age eleven to escape the war, *The Boy Who Followed His Father into Auschwitz* is Gustav and Fritz's story—an extraordinary account of courage, loyalty, survival, and love that is unforgettable.

**The Tattooist of Auschwitz**—Heather Morris  
2018-09-04 The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story

about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they'd read a hundred Holocaust stories or none.”—Graeme Simsion, internationally bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902

A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

**The Librarian of Auschwitz**-Antonio Iturbe 2017-10-10 Based on the experience of real-life Auschwitz prisoner Dita Kraus, this is the incredible story of a girl who risked her life to keep the magic of books alive during the Holocaust. Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take

charge of the eight precious volumes the prisoners have managed to sneak past the guards, she agrees. And so Dita becomes the librarian of Auschwitz. Out of one of the darkest chapters of human history comes this extraordinary story of courage and hope. This title has Common Core connections. Godwin Books

**After Auschwitz**-Eva Schloss 2013-04-11 Eva was arrested by the Nazis on her fifteenth birthday and sent to Auschwitz. Her survival depended on endless strokes of luck, her own determination and the love and protection of her mother Fritzi, who was deported with her. When Auschwitz was liberated, Eva and Fritzi began the long journey home. They searched desperately for Eva's father and brother, from whom they had been separated. The news came some months later. Tragically, both men had been killed. Before the war, in Amsterdam, Eva had become friendly with a young girl called Anne Frank. Though their fates were very

different, Eva's life was set to be entwined with her friend's for ever more, after her mother Fritzi married Anne's father Otto Frank in 1953. This is a searingly honest account of how an ordinary person survived the Holocaust. Eva's memories and descriptions are heartbreakingly clear, her account brings the horror as close as it can possibly be. But this is also an exploration of what happened next, of Eva's struggle to live with herself after the war and to continue the work of her step-father Otto, ensuring that the legacy of Anne Frank is never forgotten.

**Last Stop Auschwitz**-Eddy de Wind 2020-01-21  
Written in Auschwitz itself and translated for the first time ever into English, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany. "We know that there is only one ending to this, only one liberation from this barbed wire hell: death." -- Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork,

a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated -- Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel . . . Written in the camp itself in the weeks following the Red Army's liberation of the camp, Last Stop Auschwitz is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the

atrocities of Auschwitz, and an intelligent consideration of the kind of behavior -- both good and evil -- people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power.

milking cows, and raising hogs. They just buy it at the store, ready to eat. A lot buy a steer and have it processed in Dongola and put it in their freezer. What a difference! Girls have got it so easy now. They don't even know what it was like to start out. And I guess my mother's life, when she started out, was as hard again as mine, because they had to make everything by hand. I don't know if it could get any easier for these girls. But they don't know what it was like, and they never will. Everything is packaged. All you do is go to the store and buy you a package and cook it. Automatic washers and dryers. I'm glad they don't have to work like I did. Very glad." Edith Bradley Rendleman's story of her life in southern Illinois is remarkable in many ways. Recalling the first half of the twentieth century in great detail, she vividly cites vignettes from her childhood as her family moved from farm to farm until settling in 1909 in the Mississippi bottoms of Wolf Lake. She recounts the lives and times of her family and neighbors during an era gone forever. Remarkable for the vivid details that evoke the past, Rendleman's account is rare in

another respect: memoirs of the time-- usually written by people from elite or urban families-- often reek of nostalgia. But Rendleman's memoir differs from the norm. Born poor in rural southern Illinois, she tells an unvarnished tale of what it was really like growing up on a tenant farm early this century.

**The Murmur of Bees**-Sofia Segovia 2019-04-16

From a beguiling voice in Mexican fiction comes an astonishing novel--her first to be translated into English--about a mysterious child with the power to change a family's history in a country on the verge of revolution. From the day that old Nana Reja found a baby abandoned under a bridge, the life of a small Mexican town forever changed. Disfigured and covered in a blanket of bees, little Simonopio is for some locals the stuff of superstition, a child kissed by the devil. But he is welcomed by landowners Francisco and Beatriz Morales, who adopt him and care for him as if he were their own. As he grows up, Simonopio becomes a cause for wonder to the

Morales family, because when the uncannily gifted child closes his eyes, he can see what no one else can--visions of all that's yet to come, both beautiful and dangerous. Followed by his protective swarm of bees and living to deliver his adoptive family from threats--both human and those of nature--Simonopio's purpose in Linares will, in time, be divined. Set against the backdrop of the Mexican Revolution and the devastating influenza of 1918, The Murmur of Bees captures both the fate of a country in flux and the destiny of one family that has put their love, faith, and future in the unbelievable.

**The Shadow Effect LP**-Deepak Chopra  
2010-05-04 Deepak Chopra, Debbie Ford, and Marianne —New York Times bestselling authors and internationally acclaimed teachers—have joined together to share their knowledge on one of the most crucial obstacles to happiness we face—the shadow. These three luminaries, each with a signature approach, bring to light the

parts of ourselves we deny but that still direct our life. For it is only when we embrace our shadow that we discover the gifts of our authentic nature. The shadow exists within all of us. It is a part of us and yet we spend most of our life running from it. But far from being scary, our dark side holds the promise of a better, more fulfilling life. Our shadow makes itself known every day. It is the reason we get furious over a friend showing up ten minutes late, yell at our parents or kids when they have done nothing wrong, and sabotage our own success at the worst possible time. Until we are able to embrace our dualistic nature, we will continue to hurt ourselves and those closest to us and fall short of our potential. Combining the wisdom of three experts, *The Shadow Effect* is a practical and profound guide to discovering the gifts of our shadow. These three authors powerfully pierce the veil of our unclaimed self, releasing us from the past and propelling us on a journey to wholeness. No longer living a half life, we are capable of achieving our dreams and reclaiming the happiness that is our birthright.

A lo largo de 12 breves capítulos, nos revela la sabiduría y los consejos prácticos fruto de su larga experiencia atendiendo pacientes en su consulta. A partir del sufrimiento ajeno y con el ejemplo siempre presente del largo proceso que la llevó a ella misma hasta la sanación tras escapar del Holocausto, la doctora Eger ofrece herramientas prácticas y profundas reflexiones sobre cómo vivir en libertad, cómo trascender el dolor y cómo sanar las heridas, por profundas que sean. En resumen, cómo escapar de nuestras propias prisiones mentales para disfrutar de la vida. **The Secret Diary of Arnold Douwes**-Arnold

Douwes 2019-08-28 In the Netherlands, the myth that resistance to Nazi occupation was high among all sectors of the population has retained a strong hold, and yet many Dutch Jews fell victim to deportation and annihilation in the camps of Eastern Europe. How could a country that prided itself on its tolerance, adherence to legal norms, and democratic government have been the site of such an enormous tragedy? Even while Nazi arrests of Jews were taking place, Arnold Douwes, a gardener and restless adventurer, headed a clandestine network of resistance and rescue. Douwes had spent time in the United States and France and was arrested several times by the police after his return to the Netherlands in 1940. Keenly aware that he was doing something important, he started a diary in the summer of 1943. He hid some 35 small notebooks in jam jars at safe houses in the vicinity of his base in Nieuwlande (Drenthe).

After the war, he dug the notebooks up and transcribed them, adding several postwar sections with scrupulous notations. Bob Moore has translated Douwes's diary into English for the first time, and he and co-editor Johannes Houwink ten Cate have added a historical and contextual introduction, annotations, and a glossary for readers who may not be familiar with Dutch technical terms or places. Organized chronologically, and remaining largely as Douwes originally wrote it, the diary sheds light on the successes—and failures—of this important Dutch rescue network.

**History and Memory after Auschwitz-**

Dominick LaCapra 2018-09-05 The relations between memory and history have recently become a subject of contention, and the implications of that debate are particularly troubling for aesthetic, ethical, and political issues. Dominick LaCapra focuses on the interactions among history, memory, and ethico-political concerns as they emerge in the aftermath of the Shoah. Particularly notable are his analyses of Albert Camus's novella *The Fall*, Claude Lanzmann's film *Shoah*, and Art

Spiegelman's "comic book" *Maus*. LaCapra also considers the Historians' Debate in the aftermath of German reunification and the role of psychoanalysis in historical understanding and critical theory. In six essays, LaCapra addresses a series of related questions. Are there experiences whose traumatic nature blocks understanding and disrupts memory while producing belated effects that have an impact on attempts to address the past? Do some events present moral and representational issues even for groups or individuals not directly involved in them? Do those more directly involved have special responsibilities to the past and the way it is remembered in the present? Can or should historiography define itself in a purely scholarly and professional way that distances it from public memory and its ethical implications? Does art itself have a special responsibility with respect to traumatic events that remain invested with value and emotion?

**Hitler and the Holocaust**-Robert S. Wistrich

2001-11-06 Hitler and the Holocaust is the product of a lifetime's work by one of the world's foremost authorities on the history of anti-Semitism and modern Jewry. Robert S. Wistrich begins by reckoning with Europe's long history of violence against the Jews, and how that tradition manifested itself in Germany and Austria in the early twentieth century. He looks at the forces that shaped Hitler's belief in a "Jewish menace" that must be eradicated, and the process by which, once Hitler gained power, the Nazi regime tightened the noose around Germany's Jews. He deals with many crucial questions, such as when Hitler's plans for mass genocide were finalized, the relationship between the Holocaust and the larger war, and the mechanism of authority by which power-and guilt-flowed out from the Nazi inner circle to "ordinary Germans," and other Europeans. He explains the infernal workings of the death machine, the nature of Jewish and other resistance, and the sad story of collaboration and indifference across Europe and America, and in the Church. Finally, Wistrich discusses the abiding legacy of the Nazi

**Homelands**-Alfredo Corchado 2018-06-05  
From prizewinning journalist and immigration expert Alfredo Corchado comes the sweeping story of the great Mexican migration from the late 1980s to today. Homelands is the story of Mexican immigration to the United States over the last three decades. Written by Alfredo Corchado, one of the most prominent Mexican American journalists, it's told from the perspective of four friends who first meet in a Mexican restaurant in Philadelphia in 1987. One was a radical activist, another a restaurant/tequila entrepreneur, the third a lawyer/politician, and the fourth, Alfredo, a hungry young reporter for the Wall Street Journal. Over the course of thirty years, the four friends continued to meet, coming together to share stories of the turning points in their lives—the death of parents, the births of children, professional milestones, stories from their families north and south of the border. Using the lens of this intimate narrative of friendship, the book chronicles one of modern America's most

profound transformations-during which Mexican Americans swelled to become our largest single minority, changing the color, economy, and culture of America itself. In 1970, the Mexican population was just 700,000 people, but despite the recent decline in Mexican immigration to the United States, the Mexican American population has now passed three million-a result of high birth rates here in the United States. In the wake of the nativist sentiment unleashed in the recent election, Homelands will be a must-read for policy makers, activists, Mexican Americas, and all those wishing to truly understand the background of our ongoing immigration debate.
