Storia di Iqbal-Francesco D'Adamo 2017

Iqbal-Francesco D'Adamo 2010-05-11 When young Iqbal is sold into slavery at a carpet factory, his arrival changes everything for the other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

Malala, a Brave Girl from Pakistan/Iqbal, a Brave Boy from Pakistan-Jeanette Winter 2014-11-04 "A lushly illustrated picture-book biography of two young Pakistani heroes, Malala Yousafzai and Iqbal Masih, from acclaimed nonfiction author/illustrator Jeanette Winter"--

The Little Hero-Andrew Crofts 2006 Iqbal Masih was gunned down by an assassin when he was 13 years old. This story is about a child martyr, who died trying to end child slavery. After he escaped his carpet-master, Iqbal worked to spread the word to other enslaved children that they could be free too.

Iqbal-Francesco D'Adamo 2009-02-19 For Fatima, Maria and the other unseen children of Hussain Khan's carpet factory, Iqbal Masih's arrival is both the end of hope and its beginning. It is Iqbal who tells them that their family's debt will never be cancelled, no matter how many inches of progress they make in their rugs, no matter how neat their knots or how perfect the pattern they weave. But it is also Iqbal who is brave enough to talk about the future, to plan their escape - and to encourage the children to stand together against their master's injustice. Who promises Fatima that next spring they are going to fly kite 'whatever happens.' Based on a true story, this is a poignant and lyrical novel about child labour and human rights issues. A pack containing: * 15 copies of the Rollercoasters Educational Edition of Iqbal by Francesco D'Adamo * 15 Iqbal Reading Guides to support the student in their study of the novel

A Daughter's Gift of Love-Trudi Berger 2009-05 This story of courage, determination and hope is a powerful and moving memoir that pays tribute to love and devotion and the special bond between a mother and a daughter. Trudi Berger was literally snatched from the flames of the

Holocaust. She and her mother were sent to the camps, yet Trudi was saved from death not once but dozens of times—by her will to live, her quick wit, her self-confidence, and especially, her love for her mother. It was this sense of devotion that in the end kept them both alive to see liberation from the camps and a return to life.

Memoria, infanzia, educazione. Modelli educativi e vita quotidiana

fra Otto e Novecento-Francesca Borruso 2021-05-03 Il volume realizza una indagine, a più voci, sulla storia dell'infanzia fra Otto e Novecento, declinata sia come storia delle idee pedagogiche sull'infanzia, sia come storia dei vissuti educativi di bambine e bambini reali, individuati attraverso l'analisi delle storie di vita. Sono oggetto di analisi sia i modelli educativi sia le prassi pedagogiche presenti nella vita quotidiana le quali, attraverso un fascio articolato e composito di istituzioni educative (famiglia, collegi, scuola, associazioni, fabbrica) e di processi culturali prodotti e veicolati dai mass media emergenti (dalla produzione letteraria per l'infanzia fino ai più recenti mass media del Novecento) hanno caratterizzato la vita quotidiana di bambini e di bambine, contribuendo a determinare i processi di formazione e di costruzione identitaria di individui e gruppi.

The Great Leveler-Walter Scheidel 2018-09-18 Are mass violence and catastrophes the only forces that can seriously decrease economic inequality? To judge by thousands of years of history, the answer is yes. Tracing the global history of inequality from the Stone Age to today, Walter Scheidel shows that it never dies peacefully. The Great Leveler is the first book to chart the crucial role of violent shocks in reducing inequality over the full sweep of human history around the world. The “Four Horsemen” of leveling—mass-mobilization warfare, transformative revolutions, state collapse, and catastrophic plagues—have repeatedly destroyed the fortunes of the rich. Today, the violence that reduced inequality in the past seems to have diminished, and that is a good thing. But it casts serious doubt on the prospects for a more equal future. An essential contribution to the debate

about inequality, *The Great Leveler* provides important new insights about why inequality is so persistent—and why it is unlikely to decline anytime soon.

In the Sea There are Crocodiles-Fabio Geda 2011-08-09 When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

Fairy Tale-Marina Warner 2018-02-22 From wicked queens, beautiful princesses, elves, monsters, and goblins, to giants, glass slippers, poisoned apples, magic keys, and mirrors, the characters and images of fairy tales have cast a spell over readers and audiences, both adults and children, for centuries. These fantastic stories have traveled across cultural borders, and been passed on from generation to generation, ever-changing, renewed with each re-telling. Few forms of literature have greater power to enchant us and rekindle our imagination than a fairy tale. But what is a fairy tale?

Where do they come from and what do they mean? What do they try and communicate to us about morality, sexuality, and society? The range of fairy tales stretches across great distances and time; their history is entangled with folklore and myth, and their inspiration draws on ideas about nature and the supernatural, imagination and fantasy, psychoanalysis and feminism. In this Very Short Introduction, Marina Warner digs into a rich hoard of fairy tales in all their brilliant and fantastical variations, in order to define a genre and evaluate a literary form that keeps shifting through time and history. Drawing on a glittering array of examples, from classics such as Red Riding Hood, Cinderella, and The Sleeping Beauty, the Grimm Brothers' Hansel and Gretel, and Hans Andersen's The Little Mermaid, to modern-day realizations including Walt Disney's Snow White, Warner forms a persuasive case for fairy tale as a crucial repository of human understanding and culture. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Girl at Midnight-Melissa Grey 2016-05-03 "A girl, who's adopted and raised by a race of creatures with feathers for hair and magic in their veins, becomes involved in an ancient war and a centuries-old love, discovering startling truths about the world she lives in."--Provided by publisher.

Punctuated Equilibrium-Stephen Jay GOULD 2009-06-30 In 1972 Stephen Jay Gould took the scientific world by storm with his paper on punctuated equilibrium. Challenging a core assumption of Darwin's theory of evolution, it launched the controversial idea that the majority of species originates in geological moments (punctuations) and persists in stasis. Now, thirty-five years later, Punctuated Equilibrium offers his only book-length testament on a theory he fiercely promoted, repeatedly refined, and tirelessly defended.

L'angolo della storia-Marilena Parro Marconi 2017-07-26 "L'angolo della

storia" è la continuazione del libro precedente "I fiori della vita". Anche quest'opera narrativa presenta, dunque, un'impostazione autobiografica. Vi è narrata la vita dell'autrice, dal periodo della sua giovinezza a quello della sua maturità insieme, naturalmente, alla storia di famiglia. Vi rientrano pure racconti di esperienze, di viaggi, avventure, vicende vissuti da altri personaggi, ma ricostruiti dall'autrice con intensa partecipazione umana. Dalla sua curiosità e dal vivo interesse verso il mondo che la circonda scaturiscono, poi, le sue riflessioni sui vari aspetti della nostra società, in perenne divenire. Ella pone l'accento sull'importanza delle scelte umane per la vita sulla Terra. Ritorna quindi a ragionare sull'uomo, sui problemi esistenziali e morali e sulle prospettive future. Con lo sguardo abbraccia allora il cielo che sovrasta e avvolge il nostro Pianeta. Ha piena consapevolezza della complessità del mondo contemporaneo e dei limiti umani, rispetto l'immensità dell'universo infinito. Nel contempo, si sente fiduciosa nelle straordinarie risorse dell'uomo che, se sfruttate nell'ottica dell'amore, possono renderlo grande. Marilena Parro Marconi è nata nel 1953 a Sacile (PN), città in cui tuttora risiede. Ha conseguito la Laurea in Lettere Classiche presso la Facoltà di Lettere e Filosofia dell'Università di Padova, nel 1976. Ha insegnato per molti anni Materie Letterarie in varie scuole della provincia di Pordenone. Ha pubblicato con Edizioni Publimedia "I fiori della vita" (2016), la sua prima opera narrativa. Ha ottenuto una "Menzione di merito" con la poesia "Le evocazioni del silenzio", nella quarta edizione - 2016 - del Concorso nazionale di poesia Città di Conegliano. Una sua silloge di quindici poesie dal titolo "La voce dell'animo" è stata inserita nel volume "Marino", collana Parole in Fuga - Poeti del Nuovo Millennio a confronto, Aletti Editore 2016. La sua poesia "Incontri" è stata selezionata per pubblicazione nel volume "Il Federiciano 2016", Aletti Editore. Ha ricevuto Diploma d'onore con menzione d'encomio al Premio Internazionale "Michelangelo Buonarroti" (Seravezza 2016 II^ edizione) con la poesia "Il canto delle cicale".

Clash of Civilizations over an Elevator at Piazza Vittorio-Amara Lakhous 2012-09-10 A small culturally mixed community living in an apartment building in the center of Rome is thrown into disarray when one of the neighbors is murdered. An investigation ensues and as each of the victim's neighbors is questioned, the reader is offered an all-access pass into the most colorful neighborhood in contemporary Rome. Each character

takes his or her turn center-stage, giving evidence, recounting his or her story, the dramas of emigration, the daily equivocations of immigration, the fears and misunderstandings of a life spent on society's margins, abused by mainstream culture's fears and indifference, preconceptions and insensitivity. What emerges is a touching story that is common to us all, whether we live in Rome or in Los Angeles. This novel is animated by a style that is as colorful as the neighborhood it describes and is characterized by seemingly effortless equipoise that borrows from the cinematic tradition of the Commedia Italiana, as exemplified by directors such as Federico Fellini and Mario Monicelli. At the heart of this bittersweet comedy told with affection and sensitivity is a social reality that we tend to gloss over and a surprisingly exact anthropological analysis of this reality that cannot fail to fascinate.

Storia di Ismael che ha attraversato il mare-Francesco D'Adamo 2011-12-20T00:00:00+01:00 Ismael ha quindici anni, lui e le onde sono la stessa cosa. Niente gli fa paura finché suo padre è accanto a lui. Ma tutto sta per cambiare: la sua vita sulle coste luminose e assolate del Nord Africa finisce il giorno in cui gli abissi gli strappano la persona più importante del mondo. Ismael e il suo villaggio all'improvviso non hanno più niente. Nessun aiuto. Nessuna risorsa. Anche il mare sembra ritrarre la sua generosa mano, e i pesci non si lasciano più pescare. Ismael non è solo un ragazzo adesso, è un uomo chiamato a prendere la decisione più difficile di sempre: lasciare ogni cosa e partire in cerca di fortuna. Sa che non c'è altra soluzione, e che il suo coraggio e la sua determinazione sono l'unica speranza per trovare un nuovo futuro. Per Ismael comincia così un viaggio infinito verso le coste dell'Italia. Alla ricerca di un mondo migliore. Alla ricerca di un posto che possa chiamare casa. E soprattutto alla ricerca di un sogno: salvare la sua famiglia.

Room 13 And Inside The Worm-Robert Swindells 2011-11-30 ROOM 13 Somebody was in there. Somebody - or some thing. There is no room thirteen in the creepy Crow's Nest Hotel, where Fliss and her friends are staying on a school trip. Or is there? For at the stroke of midnight, something peculiar happens to the door of the linen cupboard next to room twelve. And something is happening to Ellie-May Sunderland, too - something very sinister. **INSIDE THE WORM** The worm was close now. So close Fliss could smell the putrid stench of its breath. Its slavering jaws gaped to engulf her. Everyone in Elsworth knows the local legend about the monstrous worm - or dragon - that once terrorised the village. But it never really happened. Or did it? For when Fliss and her friends are chosen to re-enact the legend for the village Festival, the four who are to play the part of the worm dance as one across the ground. They are the worm. And Fliss begins to feel real fear. Somehow the worm itself is returning - with a thousand-year hunger in its belly, and a burning desire for vengeance.

The Whispering Town-Jennifer Elvgren 2014-01-01 The dramatic story of neighbors in a small Danish fishing village who, during the Holocaust, shelter a Jewish family waiting to be ferried to safety in Sweden. It is 1943 in Nazi-occupied Denmark. Anett and her parents are hiding a Jewish woman and her son, Carl, in their cellar until a fishing boat can take them across the sound to neutral Sweden. The soldiers patrolling their street are growing suspicious, so Carl and his mama must make their way to the harbor despite a cloudy sky with no moon to guide them. Worried about their safety, Anett devises a clever and unusual plan for their safe passage to the harbor. Based on a true story.

The Crow Eaters-Bapsi Sidhwa 2000-10-14 Faredoon (Freddie) Junglewalla

is either the jewel of the Parsi community or a murdering scoundrel. Freddie's mother-in-law, Jerbanoo, thinks he is planning to do away with her, but Freddie has always been a pragmatist: if the old woman were to die (be murdered?) the body would have to be placed on the open-roofed Towers of Silence, in keeping with custom, and that would never do. Insurance fraud and arson, however, are well within Freddie's repertoire—in fact he thinks he has invented the idea, so advanced is it for India, in 1901. As his skills grow he becomes a man of consequence among the Parsis, with people travelling thousands of miles to see him in Lahore, especially if they wish to escape tight spots they have got themselves into. In this wickedly comic novel, the celebrated author of *Ice-Candy Man* takes us into the heart of the Parsi community, portraying its varied customs and traits with contagious humour.

Rules for a Perfect Life-Niamh Greene 2010 Rules for a perfect life . . . Rule One: Do not ditch the man everyone says is perfect for you because he eats the last yellow jelly-baby in the bag. Rule Two: Do not move to a shack in the country to 'find yourself' and inadvertently become an object of ridicule for the locals. Rule Three: Do not fall for a man who has two children who hate you, a saintly dead wife you can never live up to and a mother who thinks you are the hired help. Maggie wants the perfect life - but if she keeps breaking the rules can she ever have it?

Migrating Heritage-Dr Perla Innocenti 2014-03-28 Bringing together an international forum of experts, this book looks at how museums, libraries and further public cultural institutions respond to the effects of globalisation, mobility and migration across Europe. It puts forward examples of innovative practice and policies that reflect these challenges, looking at issues such as how cultural institutions present themselves to and interact with multicultural audiences, how to support networking across European institutions, and share practice in core activities such as archiving interpreting and exhibiting artefacts. Academics, practitioners from museums and public institutions and policymakers explore theoretical and practical approaches from a range of different disciplines such as museum and cultural heritage studies, cultural memory studies, social anthropology, sociology of organizations, cultural heritage management and cultural heritage informatics.

Sponsorship's Holy Grail-Raymond Bednar 2005 Who holds the upper hand when a company considers investing millions of dollars in a hot sponsorship property? All too often, sponsors find themselves considering

what look like "take it or leave it" deals with little or no guarantee of a return on their investment. Sponsorship's Holy Grail levels the playing field for sponsors by providing an objective, step-by-step, process-driven methodology that assures that the relationship will deliver measurable results. Whether considering a new sponsorship opportunity, monitoring performance of an existing relationship or entering into negotiations for renewal, Sponsorship's Holy Grail puts the prospective sponsor in an unprecedented position of strength. Learn to negotiate based on business goals. Obtain the most essential sponsorship benefits without paying for unproductive frills. Compare opportunities with confidence. Best of all, be confident and prepared when the chairman calls to find out what the company is getting for its money. A ballplayer wouldn't think of stepping up to home plate without a bat in his hands. After reading Sponsorship's Holy Grail, corporate decision-makers will be ready to knock their next sponsorship deal out of the park.
