Nim's Island-Wendy Orr 2008-02-12 A girl. An iguana. An island. And e-mail. Meet Nim—a modern-day Robinson Crusoe! She can chop down bananas with a machete, climb tall palm trees, and start a fire with a piece of glass. So she's not afraid when her scientist dad sails off to study plankton for three days, leaving her alone on their island. Besides, it's not as if no one's looking after her—she's got a sea lion to mother her and an iguana for comic relief. She also has an interesting new e-mail pal. But when her father's cell-phone calls stop coming and disaster seems near, Nim has to be stronger and braver than she's ever been before. And she'll need all her friends to help her.

Yoga Bug-Sarah Jane Hinder 2017-08-01 Flutter, wiggle, jiggle—it's never too early to introduce children to the fun and healthy joys of yoga. Flutter like a butterfly. Twist and turn like a grasshopper. Wiggle, jiggle, and giggle like a beetle. Kids love bugs—and what better way to get them excited about yoga than with the help

of our multi-legged friends? This delightfully illustrated board book brings the fun and benefits of authentic yoga practice to infants and toddlers. Yoga Bug guides children through ten authentic yoga poses named after insects that unfold in an irresistibly whimsical flow of play, imagination, and movement. Kids will want to return to them again and again. Learning to love and accept our bodies, building lifelong attention, and self-soothing when distressed—when it comes to the benefits of yoga, you can't get started too early. Now, with Yoga Bug, parents, teachers, and caregivers have a perfect way to help children do just that. Includes a parents' guide to the source yoga poses and helpful tips.

Ruins-Peter Kuper 2015-10-06 Samantha and George are a couple heading towards a sabbatical year in the quaint Mexican town of Oaxaca. For Samantha, it is the opportunity to revisit her past. For George, it is an unsettling step into the unknown. For both of them, it will be a collision course with political and personal events that will alter their paths and the town of Oaxaca forever. In tandem, the remarkable and arduous journey that a Monarch butterfly endures on its annual migration from Canada to Mexico is woven into Ruins. This creates a parallel picture of the challenges of survival in our ever-changing world. Ruins explores the shadows and light of Mexico through its past and present as encountered by an array of characters. The real and surreal intermingle to paint an unforgettable portrait of life south of the Rio Grande.

Book **STOLEN**, the highly anticipated thriller about deadly games played in the dark. Ashlee Parker is dead, and Emily Shepherd's dad is accused of the crime. A former soldier suffering from PTSD, he emerges from the woods carrying the girl's broken body. "Gone," he says, then retreats into silence. What really happened that wild night? Emily knows in her bones that her father is innocent -- isn't he? Before he's convicted, she's got to find out the truth. Does Damon Hilary, Ashlee's charismatic boyfriend, have the answers? Or is he only playing games with her -- the kinds of games that can kill?

Master Guide for Photographing High

School Seniors-Dave Wacker 2009-05-01 In this instructive resource, seasoned photographers illustrate how to become an elite senior-portrait photographer. Whether the student wants a simple headshot for the yearbook, classic studio portraits, or fashion-oriented images shot on location, this resource outlines every phase of the process—from selecting the right equipment, poses, and light to generating great expressions and using the computer to retouch the face. An emphasis to stay ahead of the competition in terms of style, technology, customer service, and advertising offers photographers no-nonsense ideas for shooting better images and providing more variety within the often very limited time constraints of a senior-portrait session. Packed with before-and-after images, sequential illustrations that show posing variations, sample marketing materials, and much more, this is a must have book for those entering the market—or those seeking to chisel out a bigger share.

The Darkest Minds

-Alexandra Bracken 2012-12-18 Book one in the hit series that's soon to be a major motion picture starring Amandla Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

Sangre de campeón EN PIE DE GUERRA-
CARLOS CUAUHTÉMOC SÁNCHEZ 2014-09-12
Las drogas están por todos lados. Cada vez hay más variedad y presentaciones; también los vendedores son más creativos para enganchar a los jóvenes. Este libro es una fuente de información indispensable. El lector se “beberá” sus páginas con avidez. De principio a fin quedará atrapado con la historia de los personajes e impactado por los efectos que causan drogas actuales como GHB, rohipnol, éxtasis, PCP, efedrina, ketamina, crack, LSD, cannabis y muchas otras, incluyendo el alcohol. LA DROGA es el principal enemigo social, pero lo es más la ignorancia y la creencia de que lo sabemos todo al respecto. Ha llegado el momento de informarnos, de entender que estamos en guerra y no podemos darnos el lujo de descuidarnos. Seguramente nunca antes has tenido en las manos un libro sobre las drogas tan interesante y útil como éste. Aprovechalo y compártelo.

Jake Bakes a Monster Cake-Lucy Rowland
2017-09-07 Jake is baking a birthday cake for his best friend Sam. But his sweet treat turns monstrous when his friends help out: spider legs, rotten eggs, slugs and slime are definitely not in Jake's recipe book! Sam could be in for a very smelly surprise! From the brilliant author and illustrator team behind Pirate Pete and His Smelly Feet, Lucy Rowland and Mark Chambers, the bright, bold illustrations bring life to the brilliantly funny rhyming story.

I Don't Want to Talk About It-Terrence Real

1999-03-11 A revolutionary and hopeful look at depression as a silent epidemic in men that manifests as workaholism, alcoholism, rage, difficulty with intimacy, and abusive behavior by the cofounder of Harvard's Gender Research Project. Twenty years of experience treating men and their families has convinced psychotherapist Terrence Real that depression is a silent epidemic in men—that men hide their condition from family, friends, and themselves to avoid the stigma of depression's “un-manliness.” Problems that we think of as typically male—difficulty with intimacy, workaholism, alcoholism, abusive behavior, and rage—are really attempts to escape depression. And these escape attempts only hurt the people men love and pass their condition on to their children. This groundbreaking book is the “pathway out of darkness” that these men and their families seek. Real reveals how men can unearth their pain, heal themselves, restore relationships, and break the legacy of abuse. He mixes penetrating analysis with compelling tales of his patients and even his own experiences with depression as the son of a violent, depressed father and the father of two young sons.

In the Afterlight-Alexandra Bracken 2014-10-28
Book three in the hit series that's soon to be a major motion picture starring Amandla Stenberg

and Mandy Moore--now with a stunning new look and an exclusive bonus short story that delves into the mind of Clancy Gray. Ruby can't look back. Fractured by an unbearable loss, she and the kids who survived the government's attack on Los Angeles travel north to regroup. Only Ruby can keep their highly dangerous prisoner in check. But with Clancy Gray, there's no guarantee you're fully in control, and everything comes with a price. When the Children's League disbands, Ruby rises up as a leader and forms an unlikely allegiance with Liam's brother, Cole, who has a volatile secret of his own. There are still thousands of other Psi kids suffering in government "rehabilitation camps" all over the country. Freeing them--revealing the government's unspeakable abuses in the process--is the mission Ruby has claimed since her own escape from Thurmond, the worst camp in the country. But not everyone is supportive of the plan Ruby and Cole craft to free the camps. As tensions rise, competing ideals threaten the mission to uncover the cause of IANN, the disease that killed most of America's children and left Ruby and others with powers the government will kill to keep contained. With the fate of a generation in their hands, there is no room for error. One wrong move could be the spark that sets the world on fire.

Thornhill-Pam Smy 2017-08-29 Parallel stories set in different times, one told in prose and one in pictures, converge as a girl unravels the mystery of the abandoned Thornhill Institute next door. 1982: Mary is a lonely orphan at the Thornhill Institute For Children at the very moment that it's shutting its doors. When her few friends are all adopted or re-homed and she's left to face a volatile bully alone, her revenge will have a lasting effect on the bully, on Mary, and on Thornhill itself. 2017: Ella has just moved to a new town where she knows no one. From her room on the top floor of her new home, she has a perfect view of the dilapidated, abandoned Thornhill Institute across the way, where she glimpses a girl in the window. Determined to befriend the girl and solidify the link between them, Ella resolves to unravel Thornhill's shadowy past. Told in alternating, interwoven plotlines—Mary's through intimate diary entries and Ella's in bold, striking art—Pam Smy's Thornhill is a haunting exploration of human connection, filled with suspense.

Punkzilla-Adam Rapp 2010-03-16 An award-winning writer and playwright hits the open road for a searing novel-in-letters about a street kid on a highstakes trek across America. For a runaway boy who goes by the name "Punkzilla," kicking a meth habit and a life of petty crime in Portland, Oregon, is a prelude to a mission: reconnecting with his older brother, a gay man dying of cancer in Memphis. Against a backdrop of seedy motels, dicey bus stations, and hitched rides, the desperate fourteen-year-old meets a colorful, sometimes dangerous cast of characters. And in letters to his sibling, he catalogs them all -- from an abusive stranger and a ghostly girl to a kind transsexual and an old woman with an oozing eye. The language is raw and revealing, crackling with visceral details and dark humor, yet with each interstate exit Punkzilla's journey grows more urgent: will he make it to Tennessee in time? This daring novel offers a narrative worthy of Kerouac and a keen insight into the power of chance encounters.

What's Worrying You?-Molly Potter 2018-02-08
New from Molly Potter, the best-selling author of *How Are You Feeling Today?* We all have worries now and then, but sometimes worries can feel like they're getting bigger and bigger, like you can't control them any more. What do you do then? *What's Worrying You?* is a book all about helping children understand their worries, and what to do when they feel overwhelmed by their thoughts and feelings. Each page takes the child step-by-step through different worry scenarios, such as falling out with a friend, getting in trouble at school, or feeling like no one is listening. It talks about how they might feel, what they might think, and what could help them to ease the anxiety. With fun and lively illustrations from Sarah Jennings, gentle guidance on developing emotional literacy, and simple advice for tackling problems they might face, *What's worrying you?* is the perfect book for helping children deal with those trickier feelings and gain confidence in the world around them.

The Ghost of Dr. Mold-Roberto Pavanello 2012-07 "When Echo's old librarian friend is in trouble, Echo and the Bat Pack rush to his home, Castlerock, to help. Now they must solve an ancient mystery. "

Strategic Occidentalism-Ignacio M. Sanchez Prado 2018-08-15 *Strategic Occidentalism* examines the transformation, in both aesthetics and infrastructure, of Mexican fiction since the late 1970s. During this time a framework has emerged characterized by the corporatization of publishing, a frictional relationship between Mexican literature and global book markets, and the desire of Mexican writers to break from dominant models of national culture. In the course of this analysis, Ignacio M. Sánchez Prado engages with theories of world literature, proposing that "world literature" is a construction produced at various levels, including the national, that must be studied from its material conditions of production in specific

sites. In particular, he argues that Mexican writers have engaged in a "strategic Occidentalism" in which their idiosyncratic connections with world literature have responded to dynamics different from those identified by world-systems or diffusionist theorists. *Strategic Occidentalism* identifies three scenes in which a cosmopolitan aesthetics in Mexican world literature has been produced: Sergio Pitol's translation of Eastern European and marginal British modernist literature; the emergence of the Crack group as a polemic against the legacies of magical realism; and the challenges of writers like Carmen Boullosa, Cristina Rivera Garza, and Ana García Bergua to the roles traditionally assigned to Latin American writers in world literature.
