Spiritual Discipleship-J. Oswald Sanders 2017-07-04 "Take time and trouble to keep yourself spiritually fit." — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

Ordering Your Private World-Gordon MacDonald 2017-09-05 Has anyone seen my time? I've misplaced it. We have schedule planners, computerized calendars, smart phones, and sticky notes to help us organize our business and social lives every day. But what about organizing the other side of our lives?the spiritual side? One of the great battlegrounds is within the private world of the individual. The values of our Western culture would have us believe the busy, publicly active person in ministry is also the most spiritual. Tempted to give imbalanced

attention to the public world at the expense of the private, we become involved in more programs, more meetings. Our massive responsibilities at home, work, and church have resulted in many good people on the verge of collapse. In this updated classic Ordering Your Private World, Gordon MacDonald equips a new generation to live life from the inside out, cultivating the inner victory necessary for public effectiveness. "With much enthusiasm I recommend this book to all of you who, like me, need order in your private world." ?Charles Swindoll, Chancellor, Dallas Theological Seminary

The Power of Character in Leadership-Myles Munroe 2014-01-01 How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.
