Lightworker-Sahvanna Arienta 2011-11-15 Are You a Lightworker? A Lightworker is someone who has a rare gift: the ability to lend their

healing energy to a planet that is now heavy with fear and negativity. But Lightworkers aren't necessarily well-known spiritual gurus—they are also musicians and artists, shopkeepers, accountants, stay-at-home moms, and people you pass on the street. They share their gifts in many ways; by speaking out for those who have no

voice, creating glorious works of art that uplift our planet, or perhaps writing music that elevates our spirits. But many Lightworkers have forgotten their divine purpose. They live among us, unaware of who they really are. And we can't always recognize them or fully understand their special qualities. But one thing is certain: the Earth is more in need of them than ever before. Here, Sahvanna Arienta—long-time psychic medium and intuitive advisor with clientele from around the globe—shows how to: Discover the true origin of your soul Realize your unique gifts Learn how anxiety, depression, or addiction may actually be signs of a Lightworker's highly sensitive nature Transform you sensitivities into extrasensory perceptions And use these qualities as healing powers Sahvanna Arienta's Lightworker will change the way you view yourself and your life's challenges and to discover your true place in the world.

Lightworker Relationships-Sahvanna Arienta 2016-01-25 Can you give too much love? Lightworkers are sensitive and highly empathic souls who have an innate need to help and heal others. These peaceful supporters of humanity are here to make positive changes and create personal, balanced, and loving human connections. But many Lightworkers become so caught up in their divine mission to heal that they sometimes overlook the importance of

receiving love. Do you find yourself always loving generously and rarely feeling valued? Do you feel you're always responding to the needs of others? Because of this inner calling to heal, many Lightworkers find themselves in situations that create an endless cycle of sorrow in their own relationships. Eventually these beautiful souls close off their channel to receive love altogether. Lightworker Relationships: Creating Lasting and Healthy Bonds as an Empath will help you understand how to: Balance the human and spiritual experience. Create healthy boundaries in relationships. Learn to receive love and why it's essential. Recognize when you are closing off your own love source. Live your divine mission but also receive the joy and happiness of healthy human connections.

Light Is the New Black-Rebecca Campbell
2015 Light Is The New Black is a guidebook for a new breed of women who are here to be bright

lights in the world. These women are modern-day lightworkers, who agreed at soul level to be here at this time in history, to bring us into the Age of Light (lead by spirit and the divine feminine). At the Peace Conference in Canada in 2009, when the Dalai Lama said 'The world will be saved by the western woman', it was a call to action for women throughout the West. Light Is The New Black is a response to that call. It guides these women to come back home to who they really are, at soul level, and embrace their uniqueness so they can light up the world in a way that only they can. Gone are the days of following someone else's well-trodden path. In order to succeed in this new age, everything must be an authentic expression of who we truly are. A down-to-earth, relatable mix of one girl's journey, channeled messages from The Universe, practical tools, and metaphysical marketing for this new social age, this book will reconnect you to the core of your being, so that you can use it to change the world-

The Dark Side of the Light Chasers-Deborah Ford 2010-11-02 The bestselling, beloved classic on how to go into the dark side of yourself to bring out the light -- now with new material. Debbie Ford believes that we each hold within us a trace of every human characteristic that exists, the capacity for every human emotion. We are born with the ability to express this entire spectrum of characteristics. But, Ford points out, our families and our society send us strong

messages about which ones are good and bad. So when certain impulses arise, we deny them instead of confronting them, giving them a healthy voice, then letting them go. It is to these feelings that Ford turns our attention, these parts of our selves that don't fit the personae we have created for the rest of the world. She shows us the effects of living in the dark, of keeping all our supposedly unsavory impulses under wraps. We find ourselves disproportionately frustrated and angry at the selfishness of friends, the laziness of colleagues, the arrogance of siblings. When we are unable to reconcile similar impulses in ourselves, Ford explains, we waste our own energy judging others instead of empathizing. But most important, we deny ourselves the power and freedom of living authentically. Through the stories and exercises in *The Dark Side of the Light Chasers*, Debbie Ford shows us not only how to recognize our hidden emotions, but also how to find the gifts they offer us. This is for fans of Marianne Williamson, Neale Donald Walsch, and Deepak Chopra. The very impulses we most fear may be the key to what is lacking in our

lives.

Angel Numbers-Doreen Virtue 2005-04-01 "Why do I always see the numbers 444 (or 111, 333, etc.) everywhere I go?" is one of the most frequently asked questions that Doreen Virtue receives at her worldwide workshops. In her best-selling book *Healing with the Angels*, Doreen included a chapter that briefly explained the meanings behind these number sequences, and many people have commented that they carry the book with them everywhere to help them interpret the numbers they see daily. By popular request from Doreen's audience members, *Angel Numbers* has been created to serve as a pocket guide containing the angelic meanings of numbers from 0 to 999. Designed to fit into a purse or pocket for easy transport, *Angel Numbers* provides an interpretation of more complex number sequences than was previously available in *Healing with the Angels*. This new book focuses on numbers such as 123, 337, 885, and so on. Whether you're seeing these numbers on license plates, telephone numbers,

the clock, or other locations, they're very real messages from the angels. *Angel Numbers* will help you instantly understand the meaning of these signs!

The Sacred Circle Tarot-Anna Franklin 1998 This Tarot isn't for Everyone, but it may be For You! The Sacred Circle Tarot draws on the Pagan heritage of Britain and Ireland, its sacred sites, and symbolic imagery from that tradition. It's based on the idea (suggested by R. J. Stewart) that the Tarot had its origins with the bards of Celtic culture. Together with the included 336-page, full-size book, the deck becomes a virtual training course in Celtic Paganism. Besides understanding the history and theories, there is lots of practical work for any Pagan or Tarot enthusiast. Included are instructions for six different spreads and how to use the cards for several types of meditation and personal spiritual development. The artwork, which combines photos, pencil drawings, computer colorization and enhancement helps to give a breathtaking

feeling of extreme realism to the images. It should. The cards show actual landscapes and sacred sites in Britain and Ireland. Pagans will enjoy the fact that many of the Christian or Kabalistic symbolism has been removed and replaced with symbolism of the ancient Celts. For example the Fool is now the Green Man, the Magician is the High Priest, the Emperor and Empress are the Lord and Lady, the Devil is replaced by the Underworld, and the World is now the World Tree. The book is a veritable training course in Paganism and Tarot. The imagery on the cards is absolutely beautiful. It's no wonder that this has become one of the most popular decks around. You're going to love this as soon as you get your hands on it!

The Crystal Children-Doreen Virtue 2003-06-01

Crystal Children reflect the new generation that has come to the Earth plane after the Indigo Children. They are approximately ages 0 through 5, although some members of the first wave of Crystal Children are as old as 7. These children are like Indigos—highly psychic and sensitive—but without the dark edge and the anger energy. The term Crystal Children is already taking hold worldwide, and people everywhere are talking about these special kids. Since Doreen is the only researcher who is publicly giving speeches on the subject, her audiences have been asking her for a book on the topic. It's a natural sequel to her book *The Care and Feeding of Indigo Children*. As babies, Crystal Children may take longer than normal to begin talking. They are highly telepathic, and their tuned-in mothers communicate with them nonverbally. Because they're so sensitive, the Crystal Children babies may fuss and cry a lot in crowded places. They're also very fond of nature. Doreen once watched one Crystal Child walk from tree to tree, giving each one a big hug. Crystal Children are beautiful inside and out, like

magnificent little high-priests and priestesses. One look in their eyes, and you'll recognize Divine love and wisdom. Their auras are bright, radiant, and opalescent—they seem to glow from the inside! They talk about past lives, distant galaxies, and profound insights concerning peace and love. Most Crystal Children's parents are aware that their kids are special, and they're thrilled to be parenting such delightful children. The book includes many interviews with Crystal Children, their parents, and teachers. It discusses parenting and teaching methods that are essential to keeping these children happy and healthy, and how to avoid pitfalls that could spoil their special gifts.

Rise of a Lightworker-Will Sibley 2018-12-12

From a problematic childhood background, I became a successful entrepreneur. I've experienced all the trappings of a millionaire lifestyle but it didn't lead to fulfilment for me, and only after losing it all, including my family, did I learn that there was a far greater purpose ahead. Shortly after my father died in 2013, I began to become aware of signs and guidance from those that had passed to Spirit, and this eventually told me, "in no uncertain terms" to come to Northern Ireland, that I would be given a gift and I would know what it was when I got it. Spiritual healing is the gift, and I have been privileged to have been able to treat many people

and learn so much about the Spiritrealm and how they wish to assist mankind. This book is an accurate account of events that took place in my life which led to an incredible Spiritual journey which I wish to share with you.
