No Go the Bogeyman-Marina Warner 2011-08-31 Ogres and giants, bogeymen and bugaboos embody some of our deepest fears, dominating popular fiction, from tales such as 'Jack the Giant Killer' to the cannibal monster Hannibal Lecter, from the Titans of Greek mythology to the dinosaurs of JURASSIC PARK, from Frankenstein TO MEN IN BLACK. Following her brilliant study of fairy tales, FROM THE BEAST TO THE BLONDE, Marina Warner's rich, enthralling new book explores the ever increasing presence of such figures of male terror, and the strategems we invent to allay the monsters we conjure up -from horror stories to lullabies and jokes. Travelling from ogres to cradle songs, from bananas to cannibals, Warner traces the roots of our commonest anxieties, unravelling with vigorous intelligence, creative originality and relish, the myths and fears which define our sensibilities. Illustrated with a wealth of images - from the beautiful and the bizarre to the downright scary -this is a tour de force of scholarship and imagination.

The Godborn-Paul S. Kemp 2013-10-01 In the 2nd book of the multi-author Sundering series launched by New York Times best-selling author R.A. Salvatore, the shadow legacy of Erevis Cale lives on even as his old foe

Mephistopheles seeks to stamp it out at any cost. Cale's son Vasen—unmoored in time by the god Mask—has thus far been shielded from the archdevil's dark schemes, alone among the servants of the Lord of Light who have raised him since birth. Living in a remote abbey nestled among the Thunder Peaks of Sembia, Vasen is haunted by dreams of his father, trapped in the frozen hell of Cania. He knows the day will come when he must assume his role in the divine drama unfolding across Faerûn. But Vasen knows not what that role should be . . . or whether he is ready to take it on. He only knows what his father tells him in dreams—that he must not fail. Enter Drasek Riven, a former compatriot of Erevis Cale, now near divine and haunted by dreams of his own—he too knows the time to act is near. Shar, the great goddess of darkness, looks to cast her shadow on the world forever. Riven has glimpsed the cycle of night she hopes to complete, and he knows she must be stopped. At the crossroads of divine intrigue and mortal destiny, unlikely heroes unite to thwart the powers of shadow and hell, and the sundering of worlds is set on its course.

Sanctuary Lost-Moira Rogers 2015-12-18 If there's one thing that Brynn Adler hates, it's feeling helpless and vulnerable in unfamiliar territory. Three weeks ago, life tossed her into just such a world. A world of werewolves she never knew existed--until she found out her sister was one of them. The pack seems determined to hurry her back to the normal world of humans. But after everything she's witnessed, she's not sure she wants to go...especially if it means leaving not only her sister behind, but the one man who makes her forget her life is falling apart. Now all she has to do is

convince him to agree to a plan to force the pack to let her stay. Joe Mitchell has been battling his protective instincts since he rescued Brynn from her kidnapper. Getting involved with her is a bad idea for a lot of reasons. She's on shaky emotional ground, and a supernatural war is no place for a human woman. He's not about to let her make a hasty decision, one that will only bring her pain and regret. Now all he has to do is let her go.

Sanctuary Unbound-Moira Rogers 2015-12-31 New England is ideal for vampire Adam Dubois. His cozy home in the Great North Woods reminds him of a happier time when werewolves and witches were stuff of legends, and he was a simple lumberjack. Hiding from past failures has worked for over eighty years, but a life debt owed to the Red Rock alpha has forced him to leave his retreat--and come face to face with a woman who challenges and tempts him on every level. Hiding secrets is a lonely business, and Cindy Shepherd is lonely with a capital L. Red Rock isn't exactly crawling with available men, but her interest in the mystery-shrouded new vampire in town seems mutual. After all, it's only sex—there's no danger he'll dig deep enough to unleash the demons of her past. Casual flirtation turns deadly serious when Adam discovers that the vampire plaguing Red Rock is using his mistakes as a road map. When it comes to his life, he knows Cindy has his back. But in order to secure the future, they both must trust each other with more--even if it means sacrificing themselves to save everything they hold dear.

War on Sacred Grounds-Ron E. Hassner 2010-12-15 Sacred sites offer believers the possibility of communing with the divine and achieving deeper insight into their faith. Yet their spiritual and cultural importance can lead to competition as religious groups seek to exclude rivals from practicing potentially sacrilegious rituals in the hallowed space and wish to assert their own claims. Holy places thus create the potential for military, theological, or political clashes, not only between competing religious groups but also between religious groups and secular actors. In *War on Sacred Grounds*, Ron E. Hassner investigates the causes and properties of conflicts over sites that are both venerated and contested; he also proposes potential means for managing these disputes. Hassner illustrates a complex and poorly understood political dilemma with accounts of the failures to reach settlement at Temple Mount/Haram el-Sharif, leading to the clashes of 2000, and the competing claims of Hindus and Muslims at Ayodhya, which resulted in the destruction of the mosque there in 1992. He also addresses more successful compromises in Jerusalem in 1967 and Mecca in 1979. Sacred sites, he contends, are particularly prone to conflict because they provide valuable resources for both religious and political actors yet cannot be divided. The management of conflicts over sacred sites requires cooperation, Hassner suggests, between political leaders interested in promoting conflict resolution and religious leaders who can shape the meaning and value that sacred places hold for believers. Because a reconfiguration of sacred space requires a confluence of political will, religious authority, and a window of opportunity, it is relatively rare. Drawing on the study of religion and the study of politics in equal measure, Hassner's account offers insight into the often-violent dynamics that come into play at the places where religion and politics collide.

Chronicle of a Downfall-Leopold Schwarzschild 2010-09-21 Few figures of interwar Germany were as influential as Leopold Schwarzschild, the brilliant editor of the liberal magazine 'Das Tage-Buch'. In the uncertain years of the Weimar Republic, Schwarzschild became famous for his perceptive political analyses and critique of the economic policies of successive governments in the twilight of Germany's first experiment with democracy. When he was forced to emigrate in 1933, following Hitler's rise to power, he pursued his analysis of developments in Germany from Paris, where he resumed publication of his journal under the new name 'Das Neue Tage-Buch', while also mounting a furious attack on the European powers taken by surprise by the Nazi ascendancy. 'One thing is already beyond question today...', he wrote in the spring of 1933, '...part of the new era is an unremitting descent into some kind of military conflagration'. Winston Churchill, a great admirer of Schwarzschild, made one of his later books required reading for the War Cabinet, yet his campaigning journalism has never before appeared in English. In bringing his writings to an English-speaking readership, Chronicle of a Downfall will restore Leopold Schwarzschild to his rightful place as one of the most poignant chroniclers of the fall of German democracy and the descent of Europe into World War

Building Sanctuary-Moira Rogers 2016-04-11 Two stories about the founding of the first Sanctuary town, including the story of Adam DuBois's tragic past. While these stories take place first, chronologically, they're best read after Sanctuary Unbound. A SAFE HARBOR Joan Fuller enjoyed a privileged life--until her wealth and connections garnered her the wrong sort of attention. Her rejection of a textile heir's proposal comes back to bite her when he turns out to be a werewolf on the prowl for a mate. She may have been turned against her will, but now that she's part of his pack she sets out to protect all its women. Even if that means joining forces with a witch and a vampire--and leaving the comfort of Boston. Former bootlegger Seamus Whelan has cleaned up his act, but when his old partner Gavin comes to him for help, he can't say no--no matter how deadly the threat. Escorting some female wolves to safety should have been easy, except their leader is a prim ex-debutante with enough power to challenge Seamus himself. Her courage captures his interest, and her first hesitant kiss ensnares his heart. But before they can build a haven for their kind, they must free themselves of the past--and the powerful man who's out to teach her a lesson she may not survive. UNDERTOW Victor left behind a life of crime to focus on a new vision--helping his alpha build an island sanctuary for werewolves. Harsh experiences prepared him for the hardships involved, except when it comes to dealing with the young female refugees of the brutal Boston pack--especially Simone, who rouses his inner wolf like no other. A woman he must resist, or risk becoming just the latest man to make demands on her. Born to wealth and privilege, Simone lost everything when she fell for the seductive whispers of the textile heir who turned her. Once adrift, now she is fired by a new sense of purpose--the chance to broker peace between werewolves and European wizards. Yet even as Europe beckons, her instincts--the same ones that led to trouble before--keep

drawing her back to Victor. During a sailing trip to the mainland for supplies, Victor finds it impossible to hold himself aloof from the warm, engaging Simone. And when a winter storm traps them together during a full moon, she breaks through his walls so easily and completely, the question is no longer how he'll stay away, but how he'll let her go.
